3 Steps to Accomplish Your Destiny

Here's a brief idea for a sermon. Would make a great quicke when you need to share an inspirational thought to a small group. Or develop it into a full grown bombshell.

1. Imagine it! -- God saw the world before He created it.

Rely on the creativity of God that has been placed inside of you. This is the ability to see things before they can be seen and must be a component of any vision.

2. Believe it! -- Your heart must go with your head. to believe to see the impossible is to partner with God who can do all things. Jesus said nothing is impossible to those who believe.

3. Do it! -- This is what seperates dreamers from doers. I am not talking about running off half-cocked. I am saying move into what God has placed before you. There comes a time to break up camp and cross the Jordan.
