Alabama Tornado Relief- Thanks

As many of you know, I live here in North Alabama. Cities all around us have been hit by the terrible outbreak of tornadoes that occurred on April 27th. Here in Florence, we suffered very little damage but just south and east of us, there is terrible devastation. I want to thank each of you who have prayed, given, and encouraged in any way. It has been amazing to see the outpouring of love and compassion from around the country.

The congregation I pastor is involved in relief efforts like countless other congregations and organizations across the nation. It seems that in the worst of times you often see the very best in people arise. I have sat and talked with survivors and am amazed at the strength, hope and courage that so many of them exhibit. The needs are great but God is at work to bring good out of all that has happened.

Please continue to pray for families who are grieving the loss of loved ones, the loss of property, and all the workers and agencies involved in the relief efforts. Thanks again for all you are doing.

You can hear the message [4 THINGS TO REMEMBER AFTER THE STORM](#) that I shared with my congregation this past Sunday at this [Sermon Page on our Site](#). I share several stories and lots of information about what is happening here and challenged our congregation with four simple words as to what should be our response.

Blessings,

Eddie Lawrence
