Jesus is A Giver! -- sermon outline

The following is one of my sermons on Jesus and his heart toward us all.

John 10:10: The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.

1. Jesus' Personal Purpose Statement

I have come that they may have life, and have it to the full.

-This little verse shows us Jesus heart toward us.

-His heart is a heart of surplus toward us.

-His heart is to bring value, goodness, and blessing to us.

2. Jesus is A Giver not A Taker

-All Jesus wants to take from you is your sin.

-Think about it. The Devil wants to drive you life deeper into sin to destroy you and this is the part that Jesus wants to take away.

-The Devil wants to take from you what Jesus wants to give you.

Question: You are having a big birthday party. Who do you want to bring your gifts? Jesus or the Devil? Well, life in a sense is a party and we are going to open what the Devil wants to give us or what Jesus wants to give us.

3. Jesus Gives Life

-This speaks of the "God kind of life."

-The kind of life man was placed in Eden to experience.

-The kind of life without the curse.

-The kind of life that flourishes with God's presence.

-The kind of life that is supernatural and blessed.

-The kind of life that has grace, mercy, peace, and joy as friends.

4. Jesus Fills us With Life

-The word "full" means overflowing. Not just to the top but to the top and it keeps being poured out.

-This is the "spilled over life" of Jesus that splashes on those around us.

-When you run with the Devil you have to run on empty. If you follow Jesus, you can live on a full tank!

-Actually live with Jesus is a life of multiplication. The more you give, the more you receive and the more you receive the more you are able to give and on and on!
