Naaman is Healed!

We preachers have all read the story of the man named Naaman who was healed of his leprosy when he dipped seven times in the muddy Jordan River. For those of you who like alliteration, I thought I would share an outline you can use with the incredible testimony of Naaman.

The Healing of Naaman

2 Kings 5:1-14

- I. The Problem that Affected Him (leprosy)
- II. The Person who Directed Him (The little Jewish slave girl)
- III. The Prophet who Corrected Him (Elisha)
- IV. The Pride that Infected Him (He wanted a grand ceremony)
- V. The Plan that Perfected Him (Faith in God's word against natural reason)
