What Revival Does for a Christian

(The following list is taken from R.A. Torrey's class book, HOW TO PRAY. You can use the list as a guide and punctuate it with your own illustrations and scriptures while giving the late Bro. Torrey mention for the list. I added the title to give a definite direction for the list)

Introduction: Dr. R.A. Torrey whose work among men took place between 1856-1928 was well known for his powerful Bible preaching. He was chosen by D. L. Moody to lead his Bible Institute which became Moody Institute. He carried on the work of Moody after his death. The following comes to us from Dr. Torrey as his observations about the effects of revival upon the Christian.

- 1. In times of revival Christians come out from the world and live separated lives.**
2. In times of revival Christians get a new spirit of prayer.
3. In times of revival Christians go to work for lost souls.
4. In times of revival Christians have new joy in Christ.
5. In times of revival Christians get a new love for the Word of God.
