# **Why I Won't Quit! - E.V. Hill**

Are you being tempted to give up? Would you like to be encouraged? Then take a few minutes and listen to one of the greatest exhorters of all times-- The Late Dr. E.V. Hill. A saying we use here in the South is "If this doesn't light your fire, your wood's wet!" Well, preacher friend, even if your wood's wet, this will likely fan into flame the gift of God that is within you.

We often need to be fed before we have something to feed others. This segment of a sermon Dr. Hill preached on TBN a few years ago will encourage you.
